Yom Shalaim Early Morning and Extended Afternoon Care Program

Yom Shalaim is the before and after school program that provides enriched day care for Toddler through Pre-K age groups. Please see the attached page for day and time options that are available. Also, please refer to the enclosed Tuition Rate Sheet for costs. Yom Shalaim tuition is included on your monthly Aleph School bill.

In Yom Shalaim, your child will experience a variety of enriched, learning activities that will include pre-reading and language arts skills, pre-math and science, as well as exposure to different cultures from around the world. There will also be many opportunities to explore their Jewish heritage through music, art and literature. All of this takes place in a wonderfully supportive environment, socially active, and fun-filled atmosphere that your child will flourish in.

In addition, we offer a special activity class for 3 to 5 years old who do not nap. Enrollment material for this special class will be in the "Back to School" packet you will receive this summer.

MONDAY - "Stretch and Grow" with Coach Nikki.
