

What is Torah Fund for?

You might not be aware, but the Torah Fund is not about purchasing Sifrei Torah scrolls! In fact, the Torah Fund helps to support a variety of Conservative Movement institutions, but especially the Jewish Theological Seminary of America. The Torah Fund has supported countless projects over the years, many of which affected me directly.

I would not have had a library in which to study, nor a dormitory in which to live, had it not been for the Torah Fund.

But most importantly, I was supported by financial aid from the Torah Fund during Rabbinical School. I would not be a rabbi today had it not been for the Torah Fund, and for that, I am forever grateful to those who give.

Giving to the Torah Fund supports and ensures that the next chapter of Judaism and the Conservative Movement will be written vibrantly.

~Rabbi Avi S. Olitzky
