Mike is a frequent Torah reader and a well deserved Yad Hazakah recipient. Perhaps less well known, Mike is the chair of our Building and Grounds Committee and chair of the building project's Construction Committee. Few are as conscientious and dedicated in their volunteering for Beth El as Mike.

This Simḥat Torah, we honor
Mike Blehert as our Hatan Torah
and
Dr. Jonathan Paradise as our
Hatan Bereshit.*

Join us **October 1** for the festivities and help us celebrate these two deserving individuals.

*On Simḥat Torah, we conclude the Torah and begin it again. Hatan Torah and Hatan Bereshit thus refer to the Torah's final aliyah in the Book of Deuteronomy and first aliyah in the Book of Genesis.

Jonathan is well known throughout the Twin Cities and the State as a popular teacher of Hebrew language. For generations of students, Jonathan's love of and respect for Hebrew has been contagious. Beth El is blessed to have Jonathan who has given so much to our community throughout the years.
